For Humanitarian Purposes Only

Esturro - Neighbourhood Damage Assessment - As of 26 March 2019

1,008 buildings damaged**

30% of neighbourhood damaged

*According to QSM extract from 27 March

**Damage figures are the result of a rapid assessment and may be subject to change following more thorough DAAGC.

***Structure typologies by zone were gathered by REACH through participatory mapping with neighbourhood leaders. % of buildings in the area with each type of wall/roof were collected, and the remaining sensing damage figures were used to estimate total damaged buildings by type. Damage numbers may not reach total numbers damaged due to some areas not being classified by neighbourhood leaders.
