Methodology Note:
This map shows cyclone shelters that appear on designated lists compiled by the Cox’s Bazar DRRO, as well as showing capacity data from these sites. In addition, the map also highlights other structures that are not included in DRRO lists, but have been identified as cyclone shelters by other data sources including the Cox’s Bazar District Disaster Management Programme, the Cyclone Preparedness Programme, UNDP, ICRC, and UNHCR.

Data Source:
- Other boundaries – Bangladesh Bureau of Statistics
- Cyclone shelter information: DRRO, REACH, UNDP, ICRC, UNHCR
- Road and Shelter Footprints – OpenStreetMap contributors
