For Humanitarian Purposes Only

Production date: 30 April 2019

6,580 buildings total*
3,160 buildings damaged**
48% of neighbourhood damaged

* according to OSM extrac from 27 March
** Damage figures are the result of a rapid assessment and may be subject to change following more detailed QA/QC

Construction typologies by zone were gathered by REACH through participatory mapping with neighbourhood leaders. % of buildings in the area, in each type of wall/roof were collected, and the related damage was damage figures were used to estimate total damaged buildings by type. Damage numbers may not reach total numbers damaged due to some areas not being classified by neighbourhood leaders.
